

# 2021 Native Plant, Tree & Shrub Sale

Orders Due: **Wednesday, March 31** (*Get your orders in early, some quantities are limited*)

Pick Up: **Saturday, May 22 • 9 am–2 pm WILD Center**

**Directions to WILD Center** (2285 Butte des Morts Beach Rd., Neenah, WI 54956):  
 From Hwy 41, take Exit 136, drive east on BB (Prospect Ave) to right onto Northern Rd, then left onto Stroebe Rd. Off Stroebe Rd, turn right onto Butte des Morts Beach Rd.

Nursery-propagated native perennial plants are in 4-inch pots, 1- to 2-year growth. Plants are \$6.00 each or tray of 12 same species (example: 12 butterflyweed) at \$5.00 each. Trees & shrubs are in 1, 2, 3 or 5 gal pots as noted. Species priced individually.

1. **Complete** and mail the original form.
2. **Copy** your order for your records.
3. **Make check payable to:** Wild Ones Fox Valley (credit card orders add 3%).
4. **Mail to:** Wild Ones Native Plant Sale, PO Box 385, Appleton, WI 54912.
5. **Discounts** are available for not-for-profit organizations (pre-ordered plants only).

Contact Pat Filzen or Dick Filzen at 920-754-4235 or via e-mail at [rfilzen@twc.com](mailto:rfilzen@twc.com) or [psf4fiber@gmail.com](mailto:psf4fiber@gmail.com), with questions or to **help with the plant sale**. Copy this order form for friends, or download extra copies at [foxvalleyarea.wildones.org](http://foxvalleyarea.wildones.org).

rev 01/19/21

**How low do they grow?**  
Compared to the roots of the non-native Kentucky bluegrass (far right), prairie plants and grasses have an extensive root system which helps absorb moisture and prevent erosion. Prairie plants can withstand prolonged periods of dry weather and so require little or no watering.
