

# Wild Ones

NATIVE PLANTS. NATURAL LANDSCAPES

## FOX VALLEY AREA

# WISCONSIN NATIVE PLANT CERTIFICATION

## 75% OFF SCHOLARSHIP PROGRAM

The Wild Ones Fox Valley Area chapter offers a 50-hour certificate in Wisconsin native plants. Participants gain knowledge and skills in botany, ecology, conservation, and uses of native flora in Wisconsin. The program includes both classroom education and hands-on application.

Classes are held evenings and weekends. It's a great opportunity to connect with other native plant enthusiasts and benefits home gardeners, students, landscapers, teachers, and professionals.

A limited number of scholarships are available to college students majoring in programs related to conservation.

This scholarship is for 75% off all classes for one full year. Email [foxvalleywildones@gmail.com](mailto:foxvalleywildones@gmail.com) for more information.

## Apply by October 1st!
