

2026 Native Plant, Tree & Shrub Sale

Orders Due: **Tuesday, March 31** *(Get your orders in early, some quantities are limited)*

Pick Up Date: **Saturday, May 16 • 9 am–2 pm**

Pick Up Locations:

Heckrodt Wetland Reserve 1305 Plank Rd, Menasha, WI 54952 *(default pick up location)*

Ledge View Nature Center W2348 Short Rd, Chilton, WI 53014

Nursery-propagated native perennial plants are typically in 4-inch pots, 1- to 2-year growth. Plants are \$6.50 each or tray of 12 same species (example: 12 butterflyweed) at \$5.50 each. Plants with specialty pricing are marked with asterisks. Day of Sale native plants are \$7.00, unless marked differently.

Trees, shrubs and vines are in 1, 2, 3 or 5 gal pots as noted, and priced individually. Pre-Order required. We are again partnering with the Outagamie County Master Garden Assoc and Paper Valley Garden Club with 7th Annual Plant Sale Trail. Visit us online at foxvalleyarea.wildones.org.

1. **Complete** and mail the original form *(important - please be sure to select pick up location on form below)*.
2. **Copy** your order for your records.
3. **Make check payable to:** Wild Ones Fox Valley *(credit card orders add 2.75%)*.
4. **Mail to:** Wild Ones Native Plant Sale, PO Box 385, Appleton, WI 54912.
5. **Discounts** are available for not-for-profit organizations *(pre-ordered plants only)*.
6. **Credit Cards** orders, call Grace Elonen. *Note: a 2.75% service fee will be added for credit card processing.*

Contact **Grace Elonen** at (715) 817-0529 or elonengrace@gmail.com with questions. To volunteer with the plant sale, contact **David Langner** at (920) 205-4602 or lanikarask@yahoo.com. Copy this order form for friends and relatives. Download extra copies at foxvalleyarea.wildones.org.

rev 01/19/26

How low do they grow?
Compared to the roots of the non-native Kentucky bluegrass (far right), prairie plants and grasses have an extensive root system which helps absorb moisture and prevent erosion. Prairie plants can withstand prolonged periods of dry weather and so require little or no watering.
